

## CLEAR MAGIC ADHESIVE BONDS FIBERGLASS TO POLYETHYLENE

Clear Magic is a 3-part adhesive that has become the industry standard for difficult repairs on polyethylene sumps and piping. With its unique design, Clear Magic bonds permanently to HDPE and has excellent chemical resistance.

### FEATURES

- Permanently bonds to polyethylene sumps and piping
- Great gap filling and sag resistance
- Excellent chemical resistance
- Includes easy-to-use applicator and spray bottle
- When used with PCI fiberglass repair products, polyethylene sumps can be made watertight
