

DP SERIES DISPENSER SUMPS

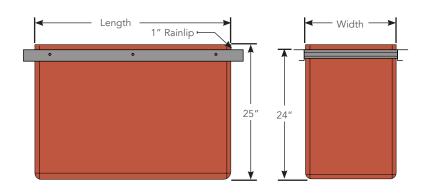

The DP (Dispenser Pan) Series Dispenser Sumps are the most affordable fiberglass dispenser sump on the market. The is the shallowest dispenser sump PCI manufactures that can still accommodate a flex connector.

Stabilizer Assembly Kit

(Sold Separately)

Dispenser Model	DP Series	Double Wall	Width	Length	Stabilizer Kit
Gilbarco Encore	DP174360	DPDW174360	17.5"	36"	SVU-L
Wayne Ovation	DP146360	DPDW146360	14.75"	36"	SVU-L

Note: Additional Models Available

SHALLOW BURIAL DEPTH

Shallowest dispenser sump that PCI manufactures, that can still accommodate a flex connector

DUAL CONDUITLESS ENTRY

Conduit mounting channel is engineered directly into both ends of the steel frame to allow electrical entry in the bottom of the dispenser without penetrating the sump wall.

SINGLE PIECE CONSTRUCTION

Eliminates any seams and provides less places for water penetration.

1" COMPOSITE RAINLIP

Prevents surface water from entering the sump and offers better protectior against rust and corrosion than metallic rainlips.

UNIVERSAL STABILIZER BARS

Universal stabilizer bars with 3-axis adjustment accommodate multi-product dispensers without displacing product lines and ensure proper load transfer in case of an impact from any direction.

100% FIBERGLASS

100% high quality, non-corrosive fiberglass provides long-term reliable containment from fuel exposure without voiding warranty, warping, cracking or becoming brittle.

'BRITE-WHITE' INTERIOR

Our signature 'Brite-White' interior reflects light for better visibility and makes identifying leak points easier.

DUO-MOLDED TECHNOLOGY

Our fiberglass sumps utilizes Duo-Molded Technology. Using premium raw materials with a high glass content, we create two layers of fiberglass, offering superior strength and fuel resistance.

DOUBLE WALL OPTIONS

Available in double wall for a variety of monitoring options to satisfy local regulations and requirements. From dry fluid or fluid filled interstitial to vacuum interstice monitoring, PCI has all options to best fit your installation and compliance needs.
